thee Spivies always eat all their vegetables.

you can reach thee Spivies at:

thee Spivies intergalactic headquarters,
6444 E. spring st. #211, long beach, CA 90815
or use your telecommunicators 562-596-0164
or try your technology www.spivies.com

thee Spivies exclusively use Silvertone and Rickenbacker guitars,
an Epiphone bass, drums that Chris has had since he was ten years
old, pogo sticks, and as much ovaltine as we can stomach.

thee Spivies collectively thank (in no particular order)

havalina rail co., thee huntingtons, thee merbabies, thee israelites, thee halo friendlies, pushstart wagon, five iron frenzy, thee supertones, value pac, thee insyderz, blaster thee rocketboy, harvey's bicycle, thee daily special, thee pirates, dryve, loam, antenna force, the downey kids (especially danny, richard and jason), the yorba linda kids, robert deeble (oh that deeble sound!), garry the genetic engineer, peter (bluebird theatre in denver), jimmy and thee family in denver, tim hall, fitz at 92.5 fm, manuel, juan casas, coast hills, borderline warehouse, forest home (jack and brian), mission springs (holly), alpine (eddie and glen), jeff elbel, david elliott and thee family, alex parker at flying tart records, tazy phyllipz, norman, sam hutton, andy prickett, greenspans, doug wilson thee computer genius, scott naroki, jeff at the custom shop, rod at sound connection, ron and laina kubicek, sue hampton, dave and lisa, matt and judita wignall, anthony arvizu, christina cronin, yvette vejar, plnc, and especially to planet patrol, our families, julie, stephanie, nicki (the creepiest), and to God, our lord, savior and thee best chum a Spivie could ever have.
